that he owns a house valued abt Rs 1000/- in the Anekal Taluk, and that there is an insurance in the Mysore Bank, and that the articles of furniture he had were sold for about Rs 90/-, which sum is being utilized for the maintenance of the members, and that the family is in a very deplorable condition. As regards the 5 boys of the deceased Hospl Asstt, the first two are said to be reading in the Senior F. A Class, the 3rd in the Matriculation Class and the remg. two young boys are fairly progressing in their studies. The ages of the boys are 20, 18, 16, 12 and 8 respectively. The Asst Collector suggests that a letter to the Principals of the College and the School, in which the boys are studying may furnish better info about their educational progress.

It may also be noted that there are precedents of cases in which Govt have graciously granted Scholarships to the sons of deceased Govt Servants in consideration of their long & faithful services, even though they were not actually employed on duty attended with imminent bodily risk.

Sir,

I respectfully beg to submit, the following. I enquired the present circumstances in life of the petitioners. The deceased Mr. Velayuda Moodr., had deposited about Rs.300/- in the Postal Savings Bank, he owns a house worth about Rs.400/- in Anekal Taluk and there is an insurance in the Mysore Government. Except these properties he had no other things. There are about 12 members in this family including other dependants on the deceased.

After the death of the Hospital Assistant the sons --- seem to have sold all the furniture which their deceased father had. The sum about Rs.90/- realized by the sale is being used for their maintenance. They are in a very deplorable condition.

As far as their educational progress is concerned the 1st and 2nd are studying in the Senior F.A. Class and the 2nd son is appearing this year for the examination. The 3rd son studying in the Matriculation class is also appearing for the examination this year.

I am told by Professor Mr. Dasappa of the Maharajah's College that these former are intelligent, painstaking -- hardworking and well behaved boys and the 3rd boy also has the same character as his elder brothers. The two younger ones are also fairly progressing in their studies. Their ages are 20, 18, 16, 12 and 8 respectively.

A kind reference to the Principal's of the Colleges School in which they undergo study may give better information about their educational progress etc.,

No.

Memorial dated 4th September 1907 from the sons of -- V.Krishnasamy Moodr., V.Srinivasa Moodr., V.Rajagopal Mdr. V.Seshachellam and Arunachellam) of late Hospital Assistant V.Velayuda Moodr., to the Senior Surgeon and Sanitary com--missioner Mysore Government.

1 We, the five sons of late Hospl.Asstt., Mr.Velayuda Moodeliar, 1st Class Hospital Assistant in charge of the Erangere Dispensary, Mysore, most humbly and respectfully beg to submit, for your kind and gracious consideration & sympathetic support, this our humble memorial, which, ap--pealing to your generous sympathy, humbly sheweth :-

2 That our father was blessed with five sons and two daughters. He was the sole main-stay to our large family, consisting of thirteen members. He was supporting all -- his life time such a large family with his emoluments alone barely sufficient for its maintenance. He did not inherit any patrimonial estate or any other legacy bequeathed by our ancestors, nor did he bequeath to us and unto our fa--mily anything of the kind, as he could not possibly afford to effect savings out of his income.

3 With our growing family, his responsibilities increas--ed and domestic expenses enhanced. We have been so un--fortunate that he was not given any encouraging promotion like some of his brother Hospital Assistants, in appreciation of his long and faithful services rendered to the -- State.

4 He has given us some sort of education, which he lay at his heart and was ever eager to promote.

5 Two of us are now studying in the B.A. Class, and one brother in the Matriculation class in the Maharajah's Col--lege at Mysore. And two other younger brothers are -- studying in the Lower classes, in the Wesleyan Mission High School

Before

6 Before the completion of our scholastic career, we -- have been squnfortunate as to lose him from our midst. And through his premature and most lamentable death, we and -- our large family have been deprived of the only means of sustenance and support and left to the care of God.

7. We have been unfortunate to lose our mother also, some three months back, who died of Cholera at Nanjangude, and one of our unmarried sister, who also died of plague lately, after our father's death. We can hardly scan our desti--nies overhanging our heads, as preordaigned by Providence; nor can we foresee the worst that may threaten us in the future. In short, we and our family have been reduced to adverse circumstances and to the most regrettable and piti--able state of ~~setitution~~ destitution and bereavement be--yond description, by the most lamentable death of our -- father, which has caused a sore and irretrievable loss and struck a death-blow to his surviving and ill-starred family destined to bemoan and suffer, in utter resignation, the slangs and arrows of misfortune, which never came single on us and our family.

8 That, in addition to his own duties in the Krangere Dispensary under his charge, he was deputed on plague duty ever since the beginning of outbreak of plague in Mysore City. He was doing the duties of the Registrar of Births and Deaths. He had to visit plague affected patients, in infected localities; and in case of deaths, he had to -- grant death certificates after performing diagnosis. In the recent outbreak of plague in the Lashkar and Mandy Mo--hallas, he used to attend upon patients attacked with di--sease for diagnosis and submit reports to the Health Of--ficer with a list of patients visited. A list of patient attended and reported by him, after the 31st July, is here--with enclosed for your kind perusal.

And in his performance of this plague duty, as may -- well be conceived, he caught infection. Our quarters --

were

were free from Plague, nor was any dead rat found therein. He was attacked with plague on the evening of 10th August 1907, and passed away from our midst on the evening of 12th August 1907. The circumstances, connected with our fa--thers death, are of the nature coming within the meaning of sections 393 and 394 of the Mysore Civil Service Regula--tions latest edition. In which light, it may be consider--ed that he contracted the terrible disease of plague and was killed, in the actual performance of his duty; and as such, that the bereaved family of the deceased deserve the benign and merciful consideration of the Government for a kind grant of family pension for a term of years to be -- limited at their discretion. In this connection, we can--not fail to express our heart-felt thankfulness and deep debt of gratitude to you for your deep and genuine sympathy and promised support to our bereaved family as conveyed to us in your letter No.1135 of the 23rd August 1907; and -- also to the District Medical Officer in charge of the Ge--neral Hospital, for his kind medical attendance upon the patient, out of his generous sympathy.

That he has rendered a long and faithful service of 32 years, in the Medical Department, as an Hospital Asstt., both in the Maidan and Malnad tracts. The zeal and earn--estness, with which he was discharging his duties, won -- him the love and approbation of his superior officers whom he served, such as Dr. McGann and Col.P.H.Benson, and to whom he was ever faithful, obedient and respectful. The kindness and patience evinced by him in the treatment of suffering patients, whether high or low, seeking his medi--cal help, won him the hearts of the people at large and gained him their popularity, their sincere love and esteem The public protest against the order of his transfer from the Erangere Dispensary to the General Hospital, Mysore, some 6 years back, the concessions shown to him by the -- Famine Commissioner in the year 1877-1878, the time of the great

great famine, the fact of his services being indented for in 1883 by the then British Resident and required back for Mysore State in the year 1885 by Dr. McGann, the prizes of valuable medical books awarded to him by Dr.McGann, the recommendation of Col.P.H.Benson for a senior grade & last, though not least, your extended sympathy and promised sup--port are some of the unmistakable evidences of the popu--larity, love and esteem that he was enjoying, and of the long and faithful services rendered to the State, entitled to recognition. We beg to enclose herewith, for your kind consideration, the memorial of our father which was under preparation, whilst he was alive, for submission to you and which is expected to give a clear insight into his me--dical career, his services and the prospects that he had before him.

In due consideration of all the above circumstances, with which we do not wish to tire you at any more length, we beseech you most humbly and earnestly, throwing ourselv--es upon your mercy and upon the mercy of the benevolent Government of His Highness the Maharaja of Mysore, to bes--tow all your possible merciful consideration on this our memorial, which we submit to you, for your kind transmis--sion to the Government with your strong support, and to move the Government, in their benign consideration, to ren--der us and our bereaved family such pecuniary help as they may deem fit, with a view to enable us to complete our -- scholastic career and enter life.

For which act of kindness and charity, we, the members of the bereaved family, as in duty bound, ever pray for -- your long life and ~~proper~~ prosperity.

Respected Sir,

The humble and respectful memorial of V. Valayuda Moodaliar,Hospital Assistant sheweth:-

1. That your memorialist is a 1st class Hospital Assistant now in charge of Erangere Dispensary,Mysore,and has put in 32 years' service and worked in charge of several Dispensaries both in the Maidan and Malnad of the Province.

2. That amongst 7 or 8 Hospital Assistants who received special concessions at the hands of the then Famine Commissioner in Mysore for the meritorious services rendered by them,during the great Famine of 1877-78,the memorialist has stood first.

3. That a kind reference to the circumstances under which your memorialist's special services were lent (at the express requisition of the then Britsh Resident in Mysore)in 1883,for charge of the Ulsoor Dispensary, C & M Station,Bangalore,while he was working in the Mudagere Dispensary,may convince your honor of the amount of popularity that he had gained and the meritorious

meritorious services rendered by him to the State.A kind perusal of the correspondance between the then Resident and the Mysore Darbar requiring back the services of the memorialist,and a D.O. letter addressed to the Assistant Resident Major Martindale in the year 1885 by Col.T. J. Mc Gann,Senior Surgeon and Sanitary Commissioner,will show the entire satisfaction that the memorialist had given in the discharge of the duties entrusted to him.

4. That Your humble memorialist further begs to add that in consideration of the exceptionally good work he has been doing he was awarded with prizes of several valuable Medical works by that most respected highly esteemed officer Col.Mc Gann.

5. That the fact that a Mahazar was submitted by the general public of the Mysore City on the occasion of your humble memorialist's transfer from the Erangere Dispensary,shows the appreciable manner in which your petitioner has worked for the good of the people when Plague was raging in the Mysore City.

6. That again when Col.P.H.Benson was leaving Mysore for British Service he having fully appreciated the memorialist's work was pleased to inform that he left on record his recommendation for the petitio's promotion to the Senior Grade in the immedi first chance as proposals for 3 senior Grades were pend with the Government for sanct on.

7. That while your memorialist wa rly lo -ing forward and waiting for promotion on ceipt o

of Government sanction two years back as promised by Col. P.H.Benson,he was left entirely in the cold to his great disappointment,sorrow and surprise as three other Hospital Assistants who were far junior were recommended for promo-tion for the simple reason that they happendd to be in Bangalore at the time.

8. That in conclusion your memorialist most respectfully appealing to your honor's generosity falling back upon your honor's mercy,representing that he has to support a large family and look after the education of six School-goinh motherless children,trusts in your honor's generous sympathy and fervently prays that the humble memorialist's case may be kindly supported and forwarded to Government for favourable consideration and promotion to one of the existing vacancies as a consolation for the great injustice that has been done to the petitioner.

I beg to remain,
Respected Sir,
